The Idaho Forest Practices Act Advisory Committee (FPAAC) will meet via videoconference from both the IDL Mica Supervisory Area Office and the Boise IDL Office on Tuesday, October 19, 2010. The meeting will begin at 9:30 a.m. (Pacific Time) in the Mica Supervisory Area Office Conference Room, and the White Pine Conference Room in the Boise IDL Office. The IDL Mica Supervisory Area Office is located at 3258 West Industrial Loop in Coeur d'Alene. The Boise IDL Office is located at 300 N. 6th Street, Suite 103.

The agenda includes highlights of the 2009 Forest Practices internal audit and a progress report on the 2010 internal survey. The meeting will also include discussions on the progress of the Idaho Forestry Program, recommendations from the 2008 Water Quality Audit team, and new information being considered by the FPAAC Shade Subcommittee regarding riparian management areas.

The public is invited to this meeting; an RSVP is required for any person wishing to attend. For further information, or to RSVP, contact Ara Andrea at the Idaho Department of Lands Office in Coeur d'Alene, at (208) 666-8636 or aandrea@idl.idaho.gov.
